KCM INVESTMENT ADVISORS, LLC

What we do

How does KCM protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

How does KCM collect my personal information?

We collect your personal information, for example, when you

- Open an account or enter into an investment advisory contract
- Give us your income information or provide employment information
- Tell us about your investment or retirement portfolio or give us your contact information

Why can't I limit all sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes — information about your creditworthiness
- affiliates from using your information to market to you
- sharing for non-affiliates to market to you

State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.

Definitions

Affiliates

Companies related by common ownership or control. They can be financial and nonfinancial companies.

- *KCM does not share with our affiliates*

Non-affiliates

Companies not related by common ownership or control. They can be financial and nonfinancial companies.

- *KCM does not share with non-affiliates so they can market to you*

Joint marketing

A formal agreement between non-affiliated financial companies that together market financial products or services to you.

- *KCM doesn't jointly market.*

Other important information

In response to a California law, we automatically treat accounts with California billing addresses as if you do not want to disclose personal information about you to non-affiliated third parties except as permitted by the applicable California law. We also limit the sharing of personal information about you with our affiliates to comply with all California privacy laws that apply to us.
